(ozanimod) | 0.92 mg capsules

Consolidating Patient Support to Improve Access and Initiation

ZEPOSIA 360 Support™ can now be accessed through [CoverMyMeds](#).

Within your CoverMyMeds account, you can access multiple, integrated services—helping to simplify processes and access for patients prescribed ZEPOSIA.

In one convenient portal, you can electronically:

- Enroll and manage patients in ZEPOSIA 360 Support™
- Submit prior authorizations and request formulary exception and appeals support
- Submit prescriptions via the enrollment form (can be done by users within your care team)^a
- Track patient case status
- Indicate if baseline clearance assessments are required

Key features

- Complete prior authorization, ZEPOSIA 360 Support™ enrollment, track patient case status, and electronic prescribing all in one location
- Automatically populate nonclinical patient demographic information you've already provided in responsive forms
- No additional technology required, eg, electronic health record integrations or equipment

^aAuthorization access varies per state regulations.

Starting an Appropriate New Patient on ZEPOSIA

CoverMyMeds allows prescribers to submit a prescription and enroll a patient using a single start form for streamlined enrollment.

Prescribe via ZEPOSIA 360 Support™ enrollment, submit a PA, or check benefits within CoverMyMeds

- 1 Log into or create your CoverMyMeds account at covermymeds.com. Select **New Request**, and enter medication name.
- 2 Select **Start Enrollment** to request patient enrollment in ZEPOSIA 360 Support™, and complete **Prescription Field** on the enrollment form.
OR
You can also select **Prior Authorization** at this step.
- 3 **Submit** completed enrollment form to initiate valid prescription transfer to CoverMyMeds Specialty Pharmacy.
